

FULCRUM

COFFEE

Ordering App

Released for Beta testing in 2017 – the Fulcrum ordering app on the Lenovo Yoga allows users to quickly place an order right from the stockroom, saving time and minimizing errors. Both the app and the device are available to all our wholesale customers. Here are a few of our favorite features:

INVENTORY MANAGEMENT

Learn and set weekly par levels with a month's of order history at your fingertips. Never run out of products again.

NEW PRODUCT FEATURES

Quickly learn about new products available through Fulcrum and order them with the click of a button.

ORDER TRACKING

Track which staff member placed an order and when it was sent.
